History is
MAGNIFICENT
!!!

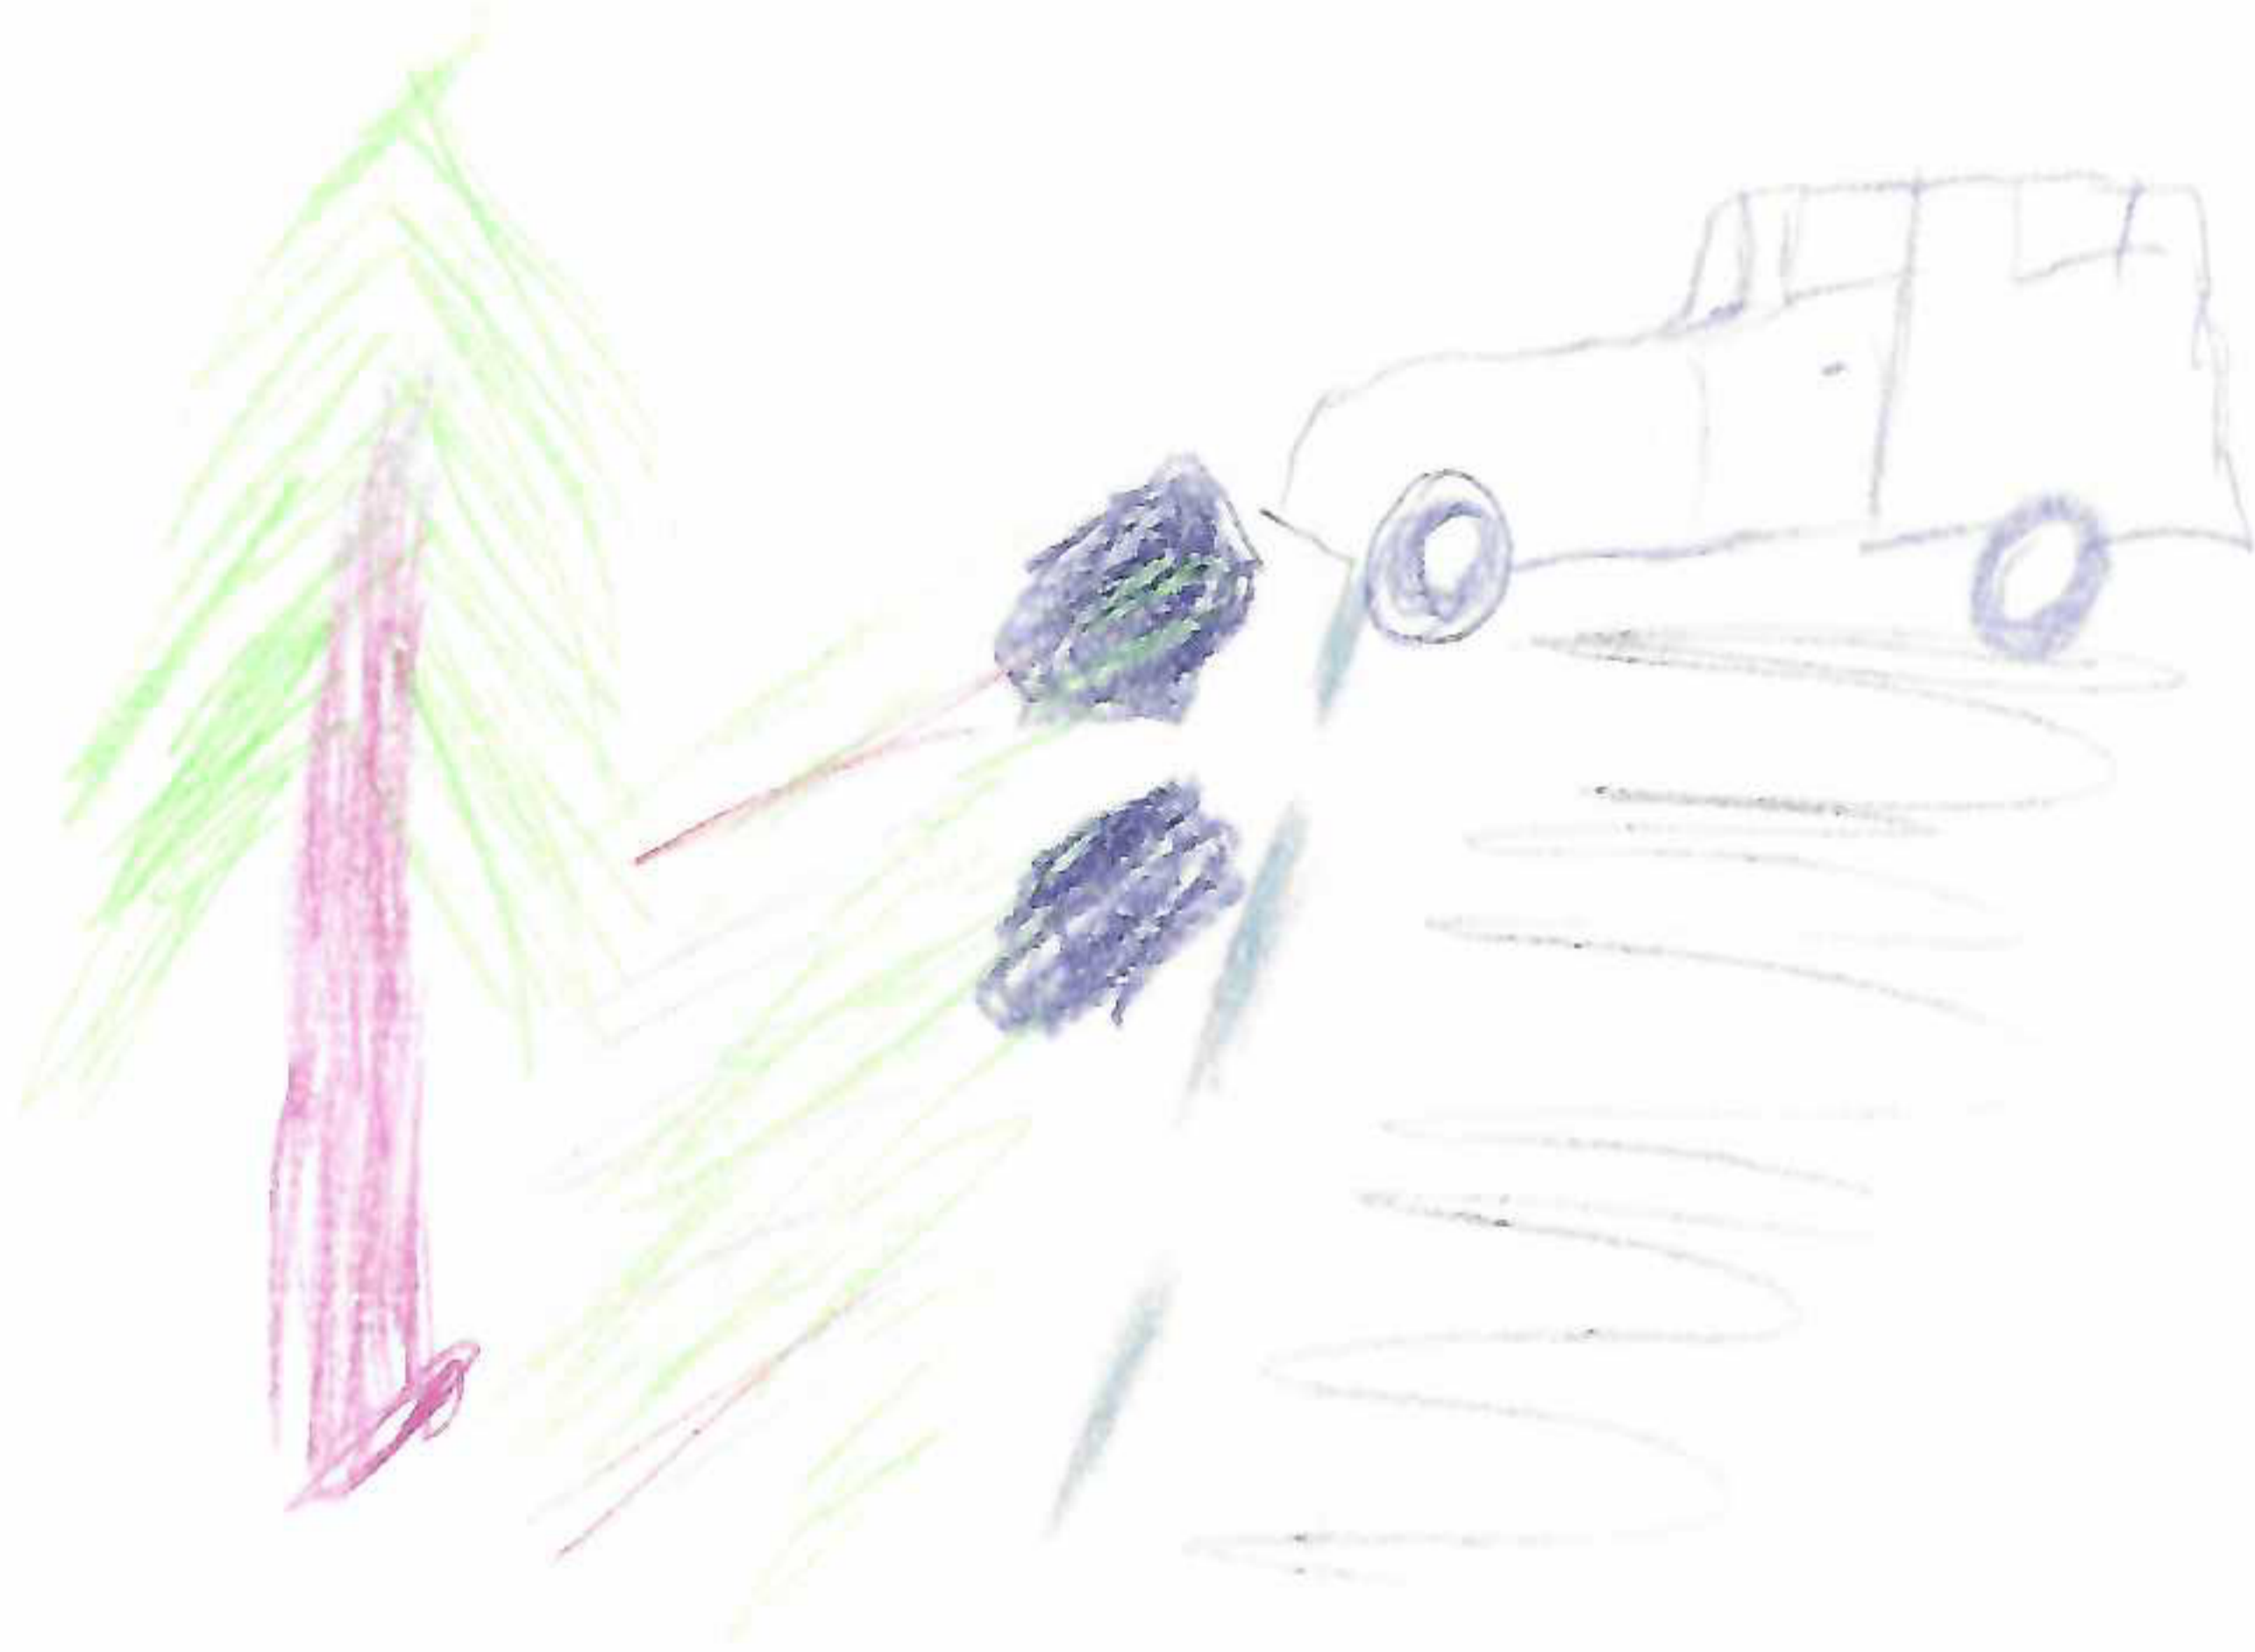

Dear Shoreline Historical Museum
I love the school desks and books I
wish school was still like that I am
in 3rd grade and I was at field
day with my friend Audra and after
this I'm going to practice with her
for the talent show at school
overnight camp. I'm going to
be in a cabin with my friends
Ella and Eddy and after practice
with Audra I might go to my
friend freida's B-day party!

My favorite memory
of the Scavenger Hunt
was the Sheridan
Market when I was
9 kid we would drive
by it on our way to family
picnics. I enjoyed going
through the vintage
market that was there and
open, when we went.
